7 Claude features finance teams overlook

Most teams only use the chat box

Prepared by	**Christophe Atten**
For	**Finance teams**
Type	**Top list**

Swipe for all 7 features

That's a small part of what it can do. 7 features worth trying

1 **Projects**

Keep documents and instructions in one place for a recurring task, like monthly reporting.

2 **File analysis**

Upload a spreadsheet or PDF and ask questions about it directly, instead of copying sections into the chat.

3 **Artifacts**

Ask for a checklist, a template or a small tool, and get something you can reuse and share.

4 **Custom instructions**

Tell it once how you want answers: British English, short, numbers first.

Features 5 to 7 of 7

And the rest

5 **Long documents** ✓

Contracts, audit reports, regulations.

6 **Structured output** ✓

Ask for tables with fixed columns.

7 **Review mode** ✓

Ask it to critique your draft as a sceptical CFO would.
