fx Prompts 1 to 4 of 7

The 7 prompts

#	Item
1	**Reconciliation notes** "Here are the unmatched items from this reconciliation. Group them by likely cause and list what I need to check for each."
2	**Accrual review** "Compare this month's accruals with last month's. Flag any item that changed by more than 15% and any that disappeared."
3	**Journal entry descriptions** "Rewrite these journal descriptions so an auditor understands them without asking. Keep each under 20 words."
4	**Close checklist status** "Here is our close checklist with owners and status. Summarise what's late, who owns it and what it blocks."

fx Prompts 5 to 7 of 7

And the rest

#	Item
5	**Variance first draft** "Draft one sentence per variance above €50k. Explain the driver. Mark anything you can't explain with [CHECK]."
6	**Management summary** "Turn these results into a 5-bullet summary for the CFO. Lead with what changed and why it matters."
7	**Lessons learned** "Here are this month's close issues. Group them into themes and suggest one process fix per theme."

fx Two rules

Two rules

Two rules for all seven: check every number against the source, and never paste data your policy restricts. Aggregate or anonymise first.
